AHS MENTORSHIP PROGRAM APPLICATION GUIDELINES

AHS Mentorship Program Description:

- There are two pathways in the Mentorship Program. The applicant may apply to either Internship or Medical Shadowing.

- The internship pathway will allow students to gain various non-clinical experiences in the healthcare setting. Successful applicants will take part in conducting healthcare related research, designing community programs and events, and assisting in developmental procedures of Asian Health Services.

- The medical shadowing pathway will give students exposure to direct clinical experience by shadowing physicians. Successful applicants will have the opportunity to experience the day to day lives of physicians, observe procedures in the operating room, and learn how different medical specialties work together to ensure the patient’s health.

- The mentorship program will take place in the summer of 2019 from mid-June to mid-August. Expected schedule is 6-7 hours a day, 4 days a week for 4 weeks per participant.

Eligibility: The applicant must be enrolled in high school or college at the time of submission. Post-baccalaureate candidates will be considered case by case.
